

BHA Miss Anchor 371

Registration #: 14566926
 DOB: 3/14/2003

371 is a moderate, deep bodied, extremely easy fleshing daughter of my foundation GDAR Blackcap 7225 cow. She is a solid producer with many excellent daughters as well as herd bulls used in our commercial replacement heifer program. 371 is a good cross to add thickness, fleshing ability, and \$EN to high performance, high milk bulls. She boasts a +40.83 \$EN which ranks her in the top 1% of dams.
