Milk River Blackcap Lady 914

Registration #: 13466664
 DOB: 3/3/1999

914 was my first home-raised Pathfinder cow. She is a maternal sister to the longtime ABS bull, Traveler 044. Her first bull calf was by EXT and I used him clean up on my registered cows. I only got three calves (bulls) out of this cow before she died, and she made Pathfinder on these three calves. She was an easy fleshing, productive cow.
